Prioritization 4.0 Deviation from Local Methodology – Regional Impact Projects

The Southwestern RPO has scored all projects at the Regional Impact Tier according to the Southwestern RPO Prioritization 4.0 Local Methodology and assigned 100 points to each of the top scoring projects.

One of these projects, **H111104** (US 19 in Jackson and Haywood Counties), was not a local priority for Jackson County officials in the Southwestern RPO or for Haywood County officials in the French Broad MPO. Therefore, 100 points were removed from H111104 and placed on the next highest scoring project, **H090744** (US 64 and NC 107 in Jackson County).

The entire list of Regional Projects and Draft Local Point Assignments can be found at www.regiona.org/rpo. The public comment period will be open from July 11 through July 25, 2016, concluding with a public hearing at 3:30 PM on July 25 at the Southwestern Commission office, 125 Bonnie Lane, Sylva NC.
